

SALES DEVELOPMENT REPRESENTATIVE

**HELP THE WORLD'S
TOP ORGANIZATIONS**

STAY SAFE FROM CYBERATTACKS

**Join the growing NetSPI sales team in
North Loop, Minneapolis!**

**Getting started in sales? Looking for a
high-growth entry level position?**

Start your sales career with NetSPI, the leader in enterprise pentesting (ethical hacking) and attack surface management.

NetSPI is seeking its next generation of sales leaders to join the team as **Sales Development Representatives** (SDRs).

As an SDR, you will get the opportunity to:

- Work with cybersecurity leaders across the world
- Earn performance-based compensation and promotions
- Be mentored by the best in technology sales
- Educate the market about cybersecurity services
- Attend marketing events across the country
- Create, identify, and qualify new sales leads
- Execute proactive outbound prospecting and lead management

GROW WITH NETSPI

On average, SDRs are promoted within **NINE MONTHS**. If you are looking to build a successful sales career in the tech space... consider [#TeamNetSPI](#)!

NetSPI Benefits:

- Flexible time off
- Competitive pay
- Medical, dental, vision, and disability insurance
- HSA match
- 401k match
- Office perks in Minneapolis' North Loop neighborhood (Friday lunches, paid parking, networking opportunities, team events, etc.)

Read why these sales leaders who started as SDRs love working at NetSPI:

“There is a genuine camaraderie throughout the entire sales organization and the executive support is incredible. I couldn’t ask for a better company and industry to kickstart my career with.”

“What I’m selling is helping companies stay out of the news for something that could bring down their whole operation.”

“There’s tremendous opportunity for growth with senior leadership exposure.”
